INDUSTRIAL PANEL MOUNT TOUCH SCREEN

10`` INDUSTRIAL PANEL MOUNT TOUCH SCREEN PC

1024x768px

16 Million Colours

The compact 10" Intel Duo Core Celeron CPU 1037U 1.80GHz industrial fanless panel PC is designed with a completely slender construction without any failure prone external fans.

The fanless panel PC has a space-saving design that fits into a wide range of industrial and commercial applications to enable you to fully maximize your business potential.

With Microsoft Windows 7 Professional 64bit operating system on board as a standard, combined with 2 GB of RAM, USB 2 & 3 ports and a respectable 2.5" 320GB hard drive, many resource hungry applications can run with little effort.

This rugged and surprisingly 'low-cost' solution is well suited to the HVAC controls industry, where wide operational temperatures and reliability really count. With a built-in a set of 3W speakers, audible events can easily be heard.

MAIN FEATURES:

OS - Windows Pro 64bit Pre Installed
CPU - Intel® Duo Core Celeron 1037U 1.8GHz
Display - 1024x768 9.7" TFT 4-Wires Resistive Touch
Memory - 2GB
Hard Disk - 2.5" 320GB
2 RS232 serial ports
4 USB Ports (x2 USB3)
Built-In 3W Speakers
Realtek Gigabit Ethernet Lan
Realtek RTL 8111E Gigabit Ethernet (Wireless Wifi)

2 RS232 PORTS
LAN
POWER
4 USB PORTS
VGA OUTPUT
HDMI OUTPUT
DC-12V
SPEAKER

INDUSTRIAL PANEL MOUNT TOUCH SCREEN

Main features:

- ✓ Intel® Celeron 1037U 1.8GHz Duo-core processor
- ✓ 1024x768 High brightness, Full view angle IPS TFT panel
- ✓ Multi-drectional heat-releasing structre
- ✓ Built-in Wireless-Lan Antenna (802.1b/gn)
- ✓ Ultra slim metal design, beautiful, durable and rugged
- ✓ CPU Integrated graphics HD Graphics and supports 1080p HD photo quality

CPU: On board Intel® Celron 1037U 1.8GHz dual core
BIOS: Award BIOS 4/8Mbit SPI Flash ROM
Chipset: Intel NM70
Memory: 2GB
Harddrive: 2.5" 320GB
Graphics: CPU Integrated graphics HD Graphics and support 1080p HD photo quality
Audio Card: Realtek ALC62 high Definton audio codec
Network card: onboard 1GB LAN
Amplifer: Built-in set of 3W speakers interface
Network: 1×Realtek RTL 81E Gigabit Ethernet controller,(Wireless Wifi)
Display: Built-in VGA pin, HDMI, 24bit LVDS
I/O 2×USB2.0, 2XUSB 3.0 1×HDMI / LAN /VGA /audio OUT/MICN /POWER DC
Watchdog: Support sytem reset grade 0~225
Front panel grade: IP54
Power supply: DC 12V input (Supplied with 100-240v -12v DC Adapter)
Monitor Srceen size: 9.7"
Touch type: 4 –wires resistive touch
Surface hardness: 3H
Transmitance: ≥80%
Response Time: < 10ms
Native Resolution: 1024×768
Brightness: 40cd/m2 (Typ)
Contrast: 700:1
LCD colours: 16.7Million
Pixel Pitch: 0.264 x 0.264
Life time: Single-point 1,000,000 times , Draw lines 100,000 times
Operating temperature: -20~60C Storage Temperature: -30~80C
Working Humidity: 5%~95%, 40C, Non–condensing
Vibration: 5~100Hz, Sine wave 1.76m/S2, 1minute X, Y, Z directions, 10 times / direction
Shock: 294m/S2 1ms ,half-sine wave,±X, ±Y, ±Z directions, 3times /direction
Case: Metalcase, shockproof , anti-interference , metal shell (paint)
Installation ways: Rackmount, Panel Mount (Brackets Supplied), wall mount, VESA bracket
Shock: 294m/S2 1ms ,half-sine wave,±X, ±Y, ±Z directions, 3times/direction
